How To Download

1. To download **Forex Trading Robot** click here: **Download FTSystem**

2. To download **MetaTrader 4 installation file** (if don't have it already installed) click here: **Download MetaTrader 4**

3. To get **Forex correlation table** click here: **Download Correlation Sheet**

4. To get **FTSystem Video Presentation** click here (but I recommend to just watch the following lectures – they are updated exclusively for Udemy): **Download FTSystem Video Presentation**
